13. In the case of minor municipal councils the ex-officio President is intended to be included in the total strength of the Council, but in the case of town municipal councils the President - whether an official or non-official - will be an additional Councillor if he is not already one. The drafts put up do not mention who are to be the Presidents of the Councils. The latter question may be considered separately and orders issued in regard to each case. Except in the case of Municipalities noted in the margin, which have non-official Presidents the others have official Presidents. Whether the same arrangement is to continue and whether any more municipalities has to be given the privilege of having non-officials preside is - in view of the representations made on this behalf by the non-official members of the Legislative Council during the discussion of the Municipal Bill - will have to be considered and a decision arrived at

by the D.C's themselves in the Mysore Gazette. Before it is done, it is necessary to decide as to who shall be the President of the Mc, so that the fact may be notified along with the reconstitution. At present only Maker has got a nominated non-Official President & the other 66 mcties have either the Asst Comr (Sakaleshpur, Arsikere, Hiriyur, L Bhadravathi), the Amildar or Deputy Amildar as President at present In the G.O. fixing the strength of the various municipal councils, nothing is said about the President and only the Amildar or the Deputy Amildar is appointed as one of the Ex Officio members. Asst Comr's designation is not mentioned. It is for orders if under Sec 10 (2) (b) of the Regulation a Govt may be put up appointing the Amildar or Deputy Amildar as the case may be as President of the Mcty or the question of such appointment & other points taken up after the reconstitution is notified by the D.C. It is also a point for consideration if the D.C's may be requested to forward their opinion if any person Mc may be considered given the privilege of electing them even non-Official President

Subs Amendments refer to paras 2 & 3 supra

Para 2/9/33

8 Under Sec 10(2) of the Mun Mcpties Regulation the President has to be appointed or elected - The appointment has to be made by Govt by name or ex officio for each Municipality

9 The privilege of electing a President has not yet been given to any Mun Mcpty - & except in the case of Malir Mcpty for which a non Official has been appointed as President by the Govt, all other Mcpties have ex officio Presidents, viz Amildars or Dy Amildars or Asst Cans The existing arrangement is agreed to continue, unless in any case there is a recommendation from the Dy Can for allowing a non-Official President

10 In the case of the Mun Mcpties the Dy Cans have been given the power of nominating non Officials and also notify the names of elected and nominated members - both ex officio & non-Offls - in the Gazette Till now, Govt were notifying the reconstitution of these Mcpls and thus need not be done hereafter as the power of nomination has been given to Dy Cans Now therefore necessary to issue a general notification fixing the Presidents for these Mcpls, so that the Dy Can may include the President also when notifying the names elected or nominated members.

11 I Dept's proposals in my accompanying may accordingly be put up for consideration

12 A draft notification appointing the Bundars of the Zalukhs or the Deputy-Bundars of the Sub-Zalukhs as the case may be as Presidents of the respective mun municipal cmmts which have to be reconstituted with effect from 1.1.1934 is put up for consideration

13 It does not include the names of mun mls bds which would be reconstituted after the above date. Similarly the num mls bds which have to be reconstituted from 1.34 are omitted in the draft, as each case would come up to Govt for orders. However it is very likely that in the case of a few num mls bds the D.C's may recommend the privilege of election of Presidents being given to them. The subject has been proposed for discussion at the meeting of D.C's & Select Heads of Departments to be held on the 29th inst finally in regard to Sikkim & French docks mun mls bds so

The idea expressed at the Officers Meeting by the Dewan was that we should be chary in granting this privilege in view of the unsatisfactory working of many Mun Mls

rention is made of them in the draft. These are to be recantoned from 1-1-34. At present the Assistant Commissioners in charge of these Taluks are the Executive Presidency. It has been ordered at para 2 supra that the present arrangement may continue. But in the G.O. dated 30-8-33 the designation of Assistant Commissioner has been advised omitted. It is for orders if these two taluks may be included in the draft new putup or a separate note putup in respect of these two municipal towns. The Andoor Taluk is one of the Executive Members of the while at French Rocks, the Bindoor Commissioner is not a member. The D.C. Hassan did it has separately recommended the appointment of the Assistant Superintendent as an Executive member in place of the Andoor & Hunsur file is under submission separately.

26. Conferment of the privilege of having non-official Presidents to Minor and Town Municipal Councils.

The Dewan observed that there was no use of threatening the erring Municipality as it would be regarded as merely an empty threat and that the best thing would be to supersede one or two Municipalities and make them an example to others. He, however, added that superseding a non-official President once would not mean a permanent departure from the privilege of electing such a President, but that the experiment could be tried again at the subsequent elections, if there was a chance of its proving successful. The whole idea was that the public interest should not suffer on any account. (L.S.G. Br.).
